Titel

Blowin' in the wind
 She will break your heart
 The times they are a changin'
 You left the water running
 Don't think twice it's all right
 Somewhere crying
 Mr. Tambourine man
Whatever it is
 Like a rolling stone
 Without a woman
 Just like a woman
 You'll never know
 All along the watchtower
 I'd rather go blind

Lay lady lay
 Have pity on me
 I shall be released
 Drown in my own tears
 Knockin' on heaven's door
 I fooled you this time
 Forever young
As she's walking away
 Tangled up in blue
 Let's wade in the water
 A hard rain's a gonna fall
 Hold on
 It ain't me babe
 A love reputation

Subterranean homesick blues
 Landslide
 I want you
 Peak of love
 I'll be your baby tonight
Goodbye in her eyes
 Hurricane
 Run for cover
 License to kill
 You colored my blues bright
 Positively 4th Street
