NUMMER

I don't want to have to wait
Ain't that true love
Someone to take your place
Broadway walk
Holdin' on
What can I call my own
Cry like a baby
On the other side
Burning fire
Since I met you baby
All I got left
Funny how time slips away
It ain't fair
He called me baby
Everyday I have to cry some
So much love
Kentucky rain

Don't take your love
Rainbow Road
Cheaters never win
Up tight good woman
Strangest feeling
The power of love
I need a lot of loving
My man
Help me find my groove
Last lullaby
I love everything about you
I'll take care of you
I pray for rain
Blue skies of Montana
Steal away
It tears me up
She ain't gonna do right

Fortune teller
Long ago
Take me just as I am
Back in my arms
Feed the flame
Come on home
Hard times
You were never mine
Blind Willie McTell
Soul deep
Stand by me
Gin house blues
A change is gonna come
Sometimes We Cry
Time's gettin' tougher than tough
