NUMMER

A sweet woman like you
Baby scratch my back
Stop her on sight
Darling baby
Get out of my life woman
Uptight
Searching for my love
You've got my mind messed up
Hold on I'm coming
Ole pal
When a man loves a woman
Neighbor neighbor
Open up the door to your heart
Ain't too proud to beg
Ain't nobody home
I'm your puppet
Baby
Reach out I'll be there

Knock on wood
But it's alright
Tell it like it is
Are you lonely for me
Sweet soul music
Nothing takes the place of you
Jimmy Mack
She's looking good
Eight man four women
I need you
Tramp
Ain't no mountain high enough
Respect
Make me yours
Baby please come back home
Some kind of wonderful

Come on sock it to me
Cold sweat
Higher and higher
Expressway to your heart
I heard it trough the grapevine
Piece of my heart
I'm in love
Count the days
The dock of the bay
Run on ahead
Dance tot the music
Cowboys to girls
Lover's holiday
Stay in the corner
Slip away
Love makes a woman
Girls can't do what the guys do
Who's making love
