NUMMER

Tonight the bottle let me down
 Lonely soldier
 I take a lot of pride in what I am
 How can you baby sit a man
 Silver wings
 I've got enough heartaches
 The farmer's daughter
If it don't bleed
 Let me down easy
 Workin' man blues
 Help me find my groove
 The running kind
 We can't believe you're gone
 Sing me back home
 Baby come on home

I threw away the rose
 Believe in me
 Today I started loving you again
 Book of memories
 Mama's hungry eyes
 Please stay
 Okie from Muskogee
 Your turn to cry
Operation never mind
 Irma Jackson
 Easy as saying 1 2 3
 Just because you can't be mine
 Have a little mercy
 The legend of Bonnie and Clyde
 I'm not the one
 White fine fever

The turning point
 Kern river
 You're on top
 Honkey tonk night time man
 I still love you
 Life in prison
 Songs to sing
 Everybody's had the blues
Vaquero
 Nothing's too much
 I can't hold myself in line
 I feel like cryin'
 Living with the shades pulled down
 Breakfast in bed
 Pancho and Lefty
 He's gone
