**NUMMER**

Bye bye love  
Peavine blues  
Wake up little Susie  
A right to sing the blues  
Bird dog  
Highway bound  
Till I kissed you  
**You'll lose a good thing**  
Let it be me  
Hard hard blues  
Cathy's clown  
If all I was was black  
Made to love  
Lovering  
Love hurts

The road's my middle name  
Walk right back  
God ain't blessing America  
Temptation  
Good news  
Crying in the rain  
**I'll suffer**  
Gone, gone, gone  
A long walk back  
The price of love  
Take my hand precious Lord  
Man with money  
The milkman game  
Somebody help me  
Come on and go with him

T.B. Sheets  
So lonely  
Never be enough time  
Love of the common people  
**Love ain't never hurt nobody**  
On the wings of a nightingale  
Perfectly lonely  
Arms of Mary  
Reckless  
Born yesterday  
This is my will  
Problems  
Long road out of Eden
