Leave him alone  
Blame it on your heart  
John Brown  
He thinks he'll keep her  
Home to stay  
How do I live  
Tell mama  
Before he cheats  
I thank you  
**Until the rain**  
We're gonna make it  
Be yourself  
Drowning on dry land  
Just don't ask me how I am

Independence day  
Pouring water on a drowning man  
Tie it up  
A house is not a home  
Heart of sorrow  
Lonely man  
You're gonna make me cry  
**If I died today**  
Rip it up  
Always never enough  
Hard headed woamn  
A girl's gotta do  
Break up  
Tell me why
