**Falling tears**  
 Wishin' and hopin'  
 Baby it's you  
 You'll never walk alone  
 A taste of honey  
 Hold me  
 Twist and shout  
 Cry to me  
 Act naturally

 Honey don't  
 He's in town  
 Everybody's trying to be my baby  
 Just one look  
 To know her is to love her  
 After the goldrush
