NUMMER

War
 Let it be me
 It should have been me
 That's how strong my love is
 Papa was a rollin' stone
 I don't want to go on without you
 Luckenbach, Texas
I won't crumble with you if you fall
 Knock on wood
 Do right woman, do right man
 When something is wrong with my baby
 Another somebody done somebody wrong song
 I've been loving you too long
 Every little bit helps
 Here I am
 You're gonna see a lot more

I'm blue
 Staring each other down
 Sweet inspiration
 Old fords and a natural stone
 To love somebody
 Sunshine superman
 Watch the one
 Celeste
 Unchained melody
This is the sea
 Season of the witch
 Everyday will be like a holiday
 You just gotta know my mind
 Crying in the rain
 Try and catch the wind
 Sweets for my sweet

Hamstead incident
 Don't go
 Legend of a girl child Linda
 Down by the riverside
 Lalena
 Without a doubt
 Bad water
One more cup of coffee
 What a friend we have in Jesus
 Love is taking over
 Looking on the bright side
 I got to be myself
 Guide me
 Passing thru
