NUMMER

Freedom blues
Gypsy woman
That's why I'm crying
Rainbow
Woman in trouble
Mama didn't lie
You'll lose a good thing
He will break your heart
Last time
People get ready
I've got to pay
Make me believe in you
I fought the law

Hard times
Without you
I cried for the last time
Leaving home
Just one more time
Born under a bad sign
I know how it feels

Misty blue
Oh baby
Blues prisoner
It's easy
I can't change it
Devil in his heart
Hesitate

Don't you know
Search your heart
Work song
Sunday eve in Amsterdam
Get on the right track baby

It tears me up
Close the door
For what it's worth
Monkeying around
Better days
Bend a little
Lucky, lucky, lucky
Shop around
